## School Age Child Concentration

### I. Language/Reading/Communication Development – 3-4 Units (select one):

- SLHS 655 Dynamics of Communication Development (GE: UD-D)
- COMM 554 Performance of Children’s Literature – 4 units

### II. Literature – 3 Units (select one):

- AAS 512 Asian American Children’s/Adolescent Literature (GE: UD-C, AERM, SJ)
- CWL 440 “Typical American”: Narratives of Multiculturalism in the Americas from 1492 to the Present (GE: UD-C, GP)
- ENG 655 Literature and the Adolescent Reader (GE: AERM)

### III. Mathematics – 6 Units (both courses required):

- MATH 165 Concepts of the Number System
- MATH 565 Concepts of Geometry, Measurement & Probability

### IV. Science – 3 units (select one):

- E ED 655 Hands On Undergraduate Science Education Experience
- BIOL 310 Biology for Today’s World (GE: UD-B, ES)
- BIOL 313 Principles of Ecology
- BIOL 317 Ecology of California
- BIOL 318 Our Endangered Planet (GE: E1 Pre-FA19, UD-B, AERM, ES, GP)

### V. Art – 3 units (select one):

- E ED 450 Art and Learning (GE: E1 Pre-FA19, UD-C, SJ) (formerly ART 450 & EDUC 450)
- DANC 340 Creative Process in Dance for Children (CSL may be available)
- MUS 601 Music for Children
- TH A 451 Storytelling and Folk Literature (GE: UD-C, GP)

### VI. Electives – 3 units (select one):

- E ED 645 Directed Experiences with Children (CSL may be available)
- KIN 401 Elementary School Physical Education, K-5
- HIS 450 History of California (GE: UD-D, CA & LOC GOVT)
**Department Policies:**

- All CAD major core and concentration courses must be taken for a letter grade. Exception is the Early Childhood internship (CAD 611) which is CR/NC.
- Grade of C or better is required for all courses in major including core and concentration. Includes courses transferred from other colleges.
- ENG 114 (or equivalent) must be successfully completed before enrollment in CAD 210 and CAD 260. No concurrent enrollment allowed.
- CAD 210 and CAD 260 (or community college equivalents) must be completed with grade of C or better before enrollment in CAD 410, CAD 450, and CAD 625. No concurrent enrollment allowed. Proof of community college equivalent courses is required with transcript.
- CAD 410 must be completed with grade of C or better before enrollment in CAD 500GW. No concurrent enrollment allowed.
- Senior standing (90 or more units completed) and completion of CAD 300 and CAD 410 with a grade of C and or better are required before enrollment in CAD 660. No concurrent enrollment allowed.
- CAD 610 & CAD 611 must be taken concurrently.

**Important Notes:**

- To avoid taking additional units, it is recommended that students meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE or major.
- To fulfill the Complementary Studies requirement, all students completing a B.A. Degree must take 12 units from courses outside of the primary prefix of their major and not cross-listed with the primary prefix for the major. This requirement is automatically fulfilled when completing a Child and Adolescent Development major. Students may need to take additional units, however, to reach the 120 minimum units required for graduation.
- Students will need to apply for graduation at the beginning of their last semester, please visit the Registrar's Office website for more information and specific dates [https://registrar.sfsu.edu/content/applying-graduation](https://registrar.sfsu.edu/content/applying-graduation).
- Courses numbered between100-299 are Lower Division courses. Courses numbered between300-699 are Upper Division courses. Lower Division courses cannot be used in substitution for Upper Division courses.
- For support with General Education requirements or navigating University policies and regulations, contact the Student Resource Center (SRC), srccenter@sfsu.edu or 415-405-3740. Please visit their website for a full list of services or to book an appointment with an advisor online, chss.sfsu.edu/src

**Early Childhood (EC) Concentration**

- **Elementary Education Course Policy:** 30 hours observation/participation outside the classroom are required for Elementary Education courses (E ED). If a student takes more than one Elementary Education course per semester, 30 hours are the maximum total required and will cover all Elementary Education courses taken in that specific semester.
- **CAD 610/611 Internship:** Students need to enroll in the CAD 610/611 Internship courses to fulfill requirements for the CA Child Development Permit from the CA Commission on Teacher Credentialing if they have not completed a supervised field experience course from a college before and/or if they want to work with young children in the future. Please check the current bulletin for prerequisites that have to be completed prior to the start of your internship (CAD 600/601). Prerequisites may include having experience with children or completing specific lower division CAD courses.

**School Age Child & Family (SACF) Concentration**

- **E-TPP & the Elementary Subject Matter Waiver (ESMR):** The E-TPP curricular roadmap prepares CAD SACF students for the Multiple Subject Credential. For more information, contact gcoeteach@sfsu.edu
- **Teacher Credential Information Meetings:** Information meetings are held by the Credential Services Office in the College of Education. Their website is: [http://gcoe.sfsu.edu/events/information-session](http://gcoe.sfsu.edu/events/information-session). Students are encouraged to attend an information meeting to find out about the requirements and timeline for admission to a credential program.
- **EED 645** is offered as a course requirement for the concentration so students have the option to receive experience working with school age children (which is a requirement for admissions to most credential programs). Students who participate in the course fulfill their elective requirement for the CAD Major.
