- Demonstrated interpersonal and communication skills;
- Ability to meet the physical demands of the job including lifting a child up to 45 lbs. and hearing and visual capabilities to monitor the environment and children's well being
- Ability to be flexible and adapt to the changes required by the position
- Ability to take initiative and be assertive
We are a Montessori preschool located in the heart of San Francisco. The school was established in 1976 and is devoted to the education and care of children 2 years old through 6 years old. We are looking for energetic and motivated substitute teachers to work with students at the early childhood level (2-6 year-olds).

**Substitute teacher** Salary: $18.00 to $20.00 /hour

**Job Description:**

The best candidates for the substitute teacher jobs have a bachelor’s degree, some knowledge of the Montessori philosophy and **at least 12 Early Childhood Education units** and enjoy working with small children. They are flexible and reliable and have some sort of educational experience. Official experience is good, but we welcome those with informal experience too. For example, if you have worked as a tutor, child care provider or babysitter, you could be a great asset to our small Montessori school. Successful candidates will have to undergo a background check and TB test.

**Job Type: Contract**
