Beanstalk is an early-stage, investor-backed media and technology company based in Denver, Colorado with the mission to create healthy screen time for kids ages 3-6.

Founded in 2019 by media executive and mother Amy Molk, Beanstalk is a leading e-learning platform designed to inspire, educate, and entertain today’s youngest learners. Our unique brand of ‘edu-tainment’ is making waves, capturing the attention of ed-tech’s most prominent investors, Fortune 500 partners, as well as the admiration of families across the globe.

Streaming Options

The Beanstalk channel streams daily for their subscribers! Monday-Friday from 11:00am - 1:00pm EST.

Beanstalk edu-tainers are prescheduled into up to three 30 minute sessions per week.

Themes for content can range from arts and crafts, to language, STEM, movement, and more!

Each 30-min session is compensated at a flat rate of $30.

Pre-scheduled afternoon classes coming soon!

A la Carte Classes

In addition to participating in scheduled streams to Beanstalk subscribers, edu-tainers can offer classes on their own time, using the Beanstalk streaming services!

Better yet, these "a la carte" classes can be offered to ANYONE! So you can list it on our schedule AND promote it to your existing audience!

Class registration is on a per-child basis and edu-tainers receive 70% of the session profits.

@CASTING.MASTER
TO APPLY

You MUST

- Not be a member of any actors' union
- Consent to a background check
- Be passionate about creating healthy screen time for kids, 3-6 years old, through live, interactive online classes
- Be comfortable teaching in a virtual environment
- Be able to produce and deliver age-appropriate content that is purposeful yet fluid enough to be shaped by the ideas and questions of the students
- Have the innate ability to authentically connect with children by pulling them out of the screen, allowing individuals to feel seen and heard
