Village Nursery School is seeking a full time Preschool Teacher to join our superstar team!

Located in Daly City just minutes from the Daly City Bart station, Village Nursery School is a nonprofit Cooperative Preschool formed and operated by parents. Village has been serving children and families in the bay area for over 65 years and our commitment to providing a safe, loving learning environment for children has never wavered. The parents and staff at Village recognize that it really does take a village to raise a child.

At Village, we offer a child-centered curriculum where children ages 2-5 learn through “hands-on” experiences with a variety of materials in their environment. We also place a strong emphasis on parent education since they are such a vital part of each child's experience at the school.

We are looking for a dynamic educator who enjoys working with young children, has a nurturing personality, and a passion to develop young minds. Our benefits include competitive pay, sick time, accrued time off and more. This is a unique opportunity to work with a small, tight team in a co-op setting where the entire family is part of the learning experience. Come be a part of our village!
