Art Teacher and Art Teacher Assistant

This organization runs a children's process art studio where we value the learning process more than the end product. We focus on the exploration of sensory activities and the experience children have while creating. We are a “yes” space for young makers!

Our company is seeking an outgoing and friendly individual to fill our Art Teacher and Art Teacher Assistant positions. You should be someone who enjoys working with children, thrives in a fast-paced environment, and has great problem solving and multitasking skills. We are open to hiring either part-time or full-time.

DUTIES:

Teaching responsibilities

- Lead (or assist) in-studio and mobile classes, art camps, and events
- Interact empathically, positively, and enthusiastically with children while maintaining control of the class and providing an inclusive environment
- Prepare, set up, and clean the studio before, after, and between classes
- Encourage students to enjoy the experience of creating and the magic of process art, while honoring the competence and independence of children
- Communicate with parents with a positive and professional attitude
- Document the experience in classes to be shared with parents
- Create and organize new curriculum and experiences in order to deliver programming on-site, off-site

Always

- Provide high-quality customer service and deliver outstanding service to every guest who comes through our doors
- Consistently promote a positive team environment and seek to establish and maintain open communication among the team
- Help maintain an overall clean, safe, and professional-looking environment
- Complete tasks in a proactive, timely, and efficient manner with little or no supervision
- Have a growth mindset, and be open to sharing new ideas and brainstorm
- Be curious, a self-starter, flexible, think critically, and committed to learning and growing

MINIMUM QUALIFICATIONS:

- Some experience working with children ages 1-10 years old in any setting (daycare, internship, classroom, babysitting)
- Be willing to take feedback and committed to learning and growing
Preferred, not required

- Teaching experience in a Reggio-inspired environment or process-based environment
