

SAFE passages

bringing together what works for kids

NOW HIRING

CHILD DEVELOPMENT SPECIALIST

JOIN OUR TEAM:

- Observe children and identify areas of delay, difficulty and concern
- Provide direct service to children and families of the after-school program utilizing a family centered, culturally appropriate approach to modify behavior, improve object relations, eating and sleeping habits, create a plan to learn new skills and concepts, coping strategies and overcome challenges
- Closely partner with school site personnel to address the developmental needs of the child
