NOW HIRING!

Felton is a great place to work, learn, and grow as an educator!

Felton Institute is deepening our ability to serve children with exceptional needs in San Francisco by hiring additional team members for 5 different positions! We are looking for ECE professionals from a variety of professional backgrounds to provide innovative, developmentally appropriate early intervention services to children in our San Francisco classrooms.

HIRING NEW TEAM MEMBERS!

1. Social-Emotional Learning Specialist
2. Two Bilingual Speech & Language Pathologists
3. Preschool Inclusion Supervisor
4. Three Early Intervention Teaching Assistants
5. Registered Nurse Coordinator

EARLY INTERVENTION PROGRAM

Our Early Intervention Program provides an inclusive early learning environment for infants, toddlers, and preschoolers with developmental delays from ages birth to five. The program allows for children to learn and grow in natural environments, rather than in a clinic.
