

Hey all students and constituents of SFState!!

The **Kids Camp** at the *Mashouf Wellness Center* that stretches 7 weeks of summer break is looking forward to your application!!

The camp consists of fieldtrips each week to locations such as: *SFZOO, Trampoline Parks, Exploratorium*, and more! It will encapsulate pool/climbing-wall within the gym twice a week as well! The camp will have two groups of about 22 kids in each, ranging from ages five to twelve years old, splitting up the "older" & "younger" kiddos!

We will be training once a month on Friday starting the **March of 2026**! We will be running camp from the **second week of June (training week) to the end of July** so be ready for a fun and adventure filled camp! Make sure that availability for summer is *solidified* before our first meeting in March!

Here are some of the skills we are looking forward to seeing:

- Childcare/Child-Centered Experience
- Multiple experience within teamwork specified environments
- CPR Certification (we will provide the training if you do not have it)
- I9 Verification (an appointment/location will be provided to receive as well)
- Working Intuitively and respectfully with children aging from 5-12 yrs old

Please feel free to follow the [link](#) attached (also on handshake under SFSU) to apply!!! We'll see you soon Gator Counselors!

Best,

Alyssa R. & Dylan G.
