JOB OPPORTUNITIES AT CASA DEL SOL!

CASA DEL SOL (HOUSE OF THE SUN)

exists to foster a healing, empowering and hopeful environment that provides **linguistically and culturally sensitive, holistic and comprehensive services for the community**. Casa del Sol is our specialty mental health clinic in Alameda County providing individual and family therapy, group counseling, and psychiatry for children, adolescents, adults and older adults with mental health conditions or co-occurring mental health and substance use conditions.

WE ARE CURRENTLY LOOKING FOR

bilingual Mental Health Resource Specialist (MHRS) to support the mental health services of the Latinx community in Oakland. MHRS provide a full range of culturally sensitive behavioral health observation, rehabilitation and case management services.

IF YOU ARE INTERESTED IN LEARNING MORE

about La Clínica or the MHRS Position **please fill out the interest form through the QR code** and we will set up a follow up information session.

For any questions contact Evelyn Riley at eriley@laclinica.org.
