

TEACHER FOR INFANT/TODDLER PROGRAM

The Katherine Michiels School (KMS) Infant/Toddler and Preschool Program is looking for a bright, energetic teacher for our progressive infant/toddler and preschool program which is strongly influenced by the Reggio-Emilia model.

KMS's program provides a safe and nurturing environment for children between the ages of 3 months to 4 years, supervised by highly qualified teachers. Because a child's core self begins to emerge at this age, our programs focus on building the emotional security necessary to develop a balanced sense of self.

They would be someone who can stimulate independent thinking, ignite creativity and empower children to make good choices. One who can teach children to be compassionate and collaborative with others and focus on "asking vs. telling".
