

At PALS, you can make a difference in a child's life, every single day.

"You helped my son talk, call me "Mom" for the first time, follow instructions, learn. Thank you from the bottom of my heart... for opening up the world to my son."

- Full and part-time positions
- Laptops provided for all staff
- Fieldwork units available
- Competitive pay, based on education and experience
- Paid drive time and mileage
- Paid training for behavior technician certification
- University-affiliated BCBA practicum site
- BCBA and BCaBA supervision available
- 100% Internal Promotion Rate (2018, 2019, 2020, 2021, 2022)

→ Real Clinical Training

No working alone after a weekend workshop. At PALS, you will receive 1:1, in-person clinical training, with clients.

→ Real Growth

Learn how to teach communication, social, adaptive and self-advocacy skills to children with autism.

→ Real Change
