Peer Mentors Wanted!

Compensation: $22/hour

Job Summary:
Peer Mentors work 5 to 10 hours per week (excluding University breaks). You will provide student-centered in-class support, one-on-one academic tutoring, and social support to the student taking undergraduate courses across the campus as part of the Inclusion Pilot Project. Peer mentors are supported by the Peer Mentor Coordinator as well as other IPP staff.

Duties & Responsibilities:
- Attend course sessions (online, hybrid, or in-person) to provide one-on-one academic and social support (under the guidance of Peer Mentor Coordinator)
- Hold weekly tutoring sessions, to support academics, support career exploration & readiness, and facilitate social opportunities on campus (seek out and attend on campus events)
- Create structures to support student in monitoring Canvas, course related applications, and SFSU email
- Support the student’s progress on assignments/projects and prepare for quizzes/tests/exams as needed (under the guidance from Peer Mentor Coordinator) such as:
  - Communicate with instructors as needed
  - Attend Peer Mentor meetings (every other week)

Candidate Requirements:
- We are looking for current SFSU students.
- Flexibility in scheduling.
- Be in good academic standing.
- Understanding of Disability Pride a must.
